Publications

One of the major ways that the Society promotes meteorological science is through publishing four world-leading journals and books. We also publish theWeather, a less technical magazine about weather and climate.

- **Books**

  We are publishing a series of books and have published four in the series so far. As an RMetS member, you are entitled to a 25% discount off these titles!

- **Journals**

  One of the major ways that the Society promotes meteorological science is through publishing six world-leading journals
