External Bursaries

Aside from the grants and bursaries available through the Society you can also find details of grants offered by other organisations through the links below:

The Royal Society offers a number of grants to people in varying stages of their career studying a variety of subjects http://royalsociety.org/grants/schemes/ [1]

The Natural Environment Research Council (NERC) offer a range of Research grants, fellowships and postgraduate studentships http://www.nerc.ac.uk/funding/available/ [2]
