

Gift Aid

By making a Gift Aid declaration you can help the Society with its charitable aims even more, at no further cost to you

The Gift Aid scheme enables the Royal Meteorological Society to obtain Gift Aid relief on your membership fees* and/or donations at no extra cost to yourself. For every £1 you give we can claim an extra 25p in Gift Aid; this extra income is a very important part of our funding and really helps us to work harder on your behalf.

Making a Gift Aid declaration is the easiest way to support us, so if you are eligible please complete the declaration form below. You can also do this online if you renew your membership this way. We can claim Gift Aid for any donations and membership fees* made in the previous six years and that extra money can go a long way in supporting our ability to do things like making grants, scholarship awards and funding educational projects.

To make a Gift Aid declaration you do have to be a UK taxpayer, paying sufficient Income Tax or Capital Gains Tax to cover the tax we can reclaim under Gift Aid. Please note that if you make a Gift Aid Declaration you must not reclaim the cost of your subscription from your employer or claim the subscription as a deduction from income for tax purposes.

If you are unsure of your Gift Aid status or require further information about the Gift Aid scheme please look at our 'Questions About Gift Aid' page on our website. If you have any further queries please email info@rmets.org or call 0118 956 8500 and we will be happy to discuss it with you.

Thank you
