

2019 ATMOSPHERIC SCIENCE CONFERENCE

/// CALL FOR ABSTRACTS ///

2 & 3

**UNIVERSITY OF
BIRMINGHAM, UK**

JULY

2019

The National Centre for Atmospheric Science and the Royal Meteorological Society are jointly hosting the 2-day UK Atmospheric Science Conference in Birmingham on 2-3 July 2019. The meeting will provide a unique opportunity to bring together atmospheric scientists with interests in weather, climate and atmospheric chemistry to present latest research findings. We encourage oral and poster contributions from all those communities. The conference sessions will be a mixture of plenary speakers, parallel oral sessions and poster sessions.

Abstract Deadline

18 January 2019
