

Carers' Fund Application Form

The Society has established the Carers' Fund to provide members with a grant to contribute towards **additional costs** of paying for carers when attending meteorology-related events and conferences.

Applications may be submitted at least four weeks prior to the event and confirmation of eligibility will normally be given within two weeks. Payment will be made on completion of a short form following attendance at the event. Retrospective awards will not normally be considered.

Please contact info@rmets.org if you have any queries.
