

# 8<sup>th</sup> UK National Climate Dynamics Workshop

## Maps & directions

The workshop will take place in the Biosciences/Geography building, which is a 5-10 min walk from University station. The entrances starred on the map below should be open without needing card access during work hours.

Oral sessions are in lecture theatre **NG08** (black star on map below).

Coffee breaks, lunch and the poster session will be in **the Undercroft** (orange star on map below).
